## Club Subversion

*Club Subversion*

### Tickets

This is the area of the shop where you can purchase tickets for our upcoming Club Subversion events. We will usually make tickets available for at least the next two club events.

Also available here will be tickets to other special events that we are involved in from time to time. A good example of this are the tickets to the various London Fetish Weekend Events held during the first weekend in October which will usually be available in early August each year.
